Lord, embrace in your loving arms all who are grieving the loss of Ashling, where lives are in turmoil, and pain is all that's felt. Be with them in their sorrow, uphold them with Your strength, and through the generosity of love shown by others and Your presence within their hearts, may they know they are not alone. Amen.

Ashling Murphy, RIP

The Synodal Pathway is a journey to a renewed way of being Church together! A resource has been produced to help guide us on the way.

Based on the official Synod documentation from the Vatican, **SIMPLY SYNOD** has useful ideas and information to help us make the most of this exciting opportunity to gather, share and experience what it means to be a truly synodal Church.

The resource is now available on the diocesan website and will be followed by a series of helpful bitesize videos.

For more information visit the Synod page on www.dublindiocese.ie

CHURCH SOUND IMPROVEMENTS

Following on the recent update on the restoration of the church bells in Ballyboughal, we are glad to report that the Ballymadun church bell is now restored too. Also, over recent weeks a professional survey of all our church sound systems has taken place, with improvements being put in place where needed, inside and outside the churches, and also in enhancing the online Mass sound quality.

Good sound is important, particularly in these times. All constructive feedback is always welcome, along with of course, the ongoing financial support of our parishioners and kind benefactors which enables us to both maintain and improve our churches.

The Pope's Monthly Intentions: January

For true human fraternity: We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognised, which originate from being brothers and sisters in the human family.
